

Ms. Cawley - English:

Hello everyone, I hope you are well. It's great to have the good weather and I hope that everyone is still remembering to follow all the rules about social distancing and coughing into our elbows. I know it is a very strange, difficult time but we will all get through it and be back together. Below is this week's work. Try and do your best but don't feel under any pressure to complete it all. Save all your work so we can correct it when we are back together.

Monday:

How did you get on with last week's tongue twister? I found it tricky at the start of the week but definitely got quicker as the week went on. Here is another one for this week. Practise it slowly and then see how quick you can get. Maybe you could challenge someone in your house to see who can say it the best or the quickest?
